Patience is bitter, but its fruit is sweet
- Jean-Jacques Rousseau

Yeah sorry guys about the wait, but we have finally been able to give you the 13th chapter of Goudere!!! This time we decided to redraw the gap in the double page spreads so hopefully that will make the overall release look that bit more special. I'm also really intrigued by this new character that came out Kaburagi's manga, she seems to have poudere traits like Sora, but maybe a lot more evil? We shall see! Ah, -way guys, look forward to the next release. Till next time Peaceout!
